

INTERESTED IN POINT-OF-CARE TESTING?

Belmont University College of Pharmacy is hosting the *Community Pharmacy-Based Point-of-Care Testing Certificate Program*. This Continuing Pharmacy Education (CPE) program is designed specifically for community pharmacy, academia and pharmacy association staff. The program offers up to eight hours of live CPE credit as well as 12 hours of home study credit.

Participants gain skills necessary to develop and implement a collaborative testing program for influenza, Group A streptococcus, HIV and hepatitis C. Get more information at <http://nacds.learnercommunity.com>.

**Belmont University
College of
Pharmacy**

1900 Belmont Blvd,
Nashville, Tennessee 37212
